How the City Communicates...

The City of Santee uses both traditional and nontraditional communication tools to reach residents, business owners, developers, and others. The City relies on these parties to **seek out the tools they prefer** to receive City information on events, news, programs, and more. Please peruse and use the list of tools the City employs to find a platform you prefer where you can find information you need.

Digital Communications

- **www.CityofSanteeCA.gov:** City's website updated with information for each department & division
- **SanteeTV:** The City's award-winning PEG channel which airs 24/7 on COX channel 117, AT&T channel 99, & the City's website.
- **Lobby TVs:** Digital ads displayed at City Hall

Advertising and Public Relations

- **Print Ads**
- **News Release**
- **Partner Outreach** (Santee Elementary – Peach Jar & Grossmont High School Districts, East County Chamber of Commerce, Santee Chamber of Commerce, East County Economic Development Council, Padre Dam, Santee Branch Library and Waste Management)

Print Publications

- **Recreation Brochure:** Seasonal Recreation guide with a list of activities & programs
- **The Santee Magazine:** The Santee Chamber of Commerce quarterly magazine
- **Flyers:** Located in City Hall lobbies, City facilities and local businesses
- **Kiosks:** Located in Santee parks
